

**Amendments to the Drawings**

Please replace the drawings as filed with the enclosed Replacement Sheets of drawings (attached). The drawings increase the size of the lettering in Figs. 3-5, and correct an overlapping line in Fig. 2, as requested in the Notice.

**REMARKS**

Objections to the Drawings

The drawings were objected to on the basis that Fig. 2 contained an overlapping line and Figs. 3-5 were asserted to have lettering of too small a size.

The drawings have been revised to reposition the line in Fig. 2, and to increase the size of the lettering in Figs. 3-5.

As all objections made to the drawings have been addressed, the drawings are believed to be in condition for allowance of the application.

**CONCLUSION**

Applicants respectfully submit that the claims are in condition for allowance, and a corresponding notice of allowance is respectfully requested. A telephonic interview is formally requested prior to issuance of any other action than a notice of allowance.

Respectfully submitted,

/David W. Maher/
